

Standard Terms and Conditions Addendum

These terms are in addition to the CPA Model Conditions for the Hiring of Plant dated July 2011 OR CPA Standard Terms and Conditions for Contract Lifting Services, dated July 2011.

Booking Confirmation: The booking is confirmed only upon receipt of your written order. Once an order is received, Quinto will supply a written Risk Assessment/Method Statement for contract lifting projects only along with details of personnel and plant allocated for this contract. For crane access, it is essential that a clear unobstructed access into and exiting from site is provided and preparatory work if required is completed prior to the arrival of our lifting team.

Cancellation Terms: If the contract is terminated without the written agreement of Quinto Crane and Plant Limited, liability for the full price of contract is to be satisfied by the customer.

If Quinto Crane and Plant Limited has agreed in writing to the cancellation, the customer is liable for such reasonable proportion of the contract price as detailed below:

Cranes up to and including 100 ton; Up to 2pm on the working day prior to the requested hire date: No Charge.

Cranes over 100 tons and up to and including 200 ton; Up to 2 working days prior to the requested hire date: No Charge.

Cranes over 200; Up to 7 working days prior to the requested hire date: No Charge.

Between 4-7 working days prior to the requested hire date: 2/3 of the price quoted for the day's hire is chargeable.

Within 3 working days of the requested hire date: The full price quoted for the day's hire is chargeable.

Inclement weather:

Contract Lift Services: Our Technical Representative will calculate maximum wind speed permitted based on the factors involved in your specific lift operation.*

CPA Hire: (Crane Only) Quinto do not advise on wind conditions; your Appointed Person is responsible for calculating maximum wind speeds permitted.*

***SAFETY FIRST –THE CRANE INSTRUMENTATION AND THE SUPERVISOR/OPERATOR'S DECISIONS MUST BE CONSIDERED FIRST ON ALL SAFETY ASPECTS INCLUDING INCLEMENT WEATHER.**

In the event that Quinto attends site on the requested date of hire and inclement weather prevents lifting operations at any point during the time on site then the full hire charge is due.

Demurrage: Quinto Crane & Plant Ltd will not accept any liability for additional cost/charges/refunds or any other compensation that can be passed on through any delay associated with the lift.

Payment Terms: 30 days from date of invoice for approved credit accounts, otherwise payment prior to commencement of the job. All prices are plus VAT where applicable at the current rate. If any invoice is not paid by the due date all subsequent invoices become payable forthwith.

Insurance: You are responsible for having adequate insurance in place.

CPA hire: Please see relevant sections in CPA Model Conditions for the Hiring of Plant dated July 2011. Cover required includes:

- Loss of or damage to our crane/vehicle(s)/equipment whilst on site
- Continuing hire charges whilst the crane/vehicle(s)/equipment is off the road for repairs following damage
- Injury to driver/operator or our other employees on site
- Injury to other parties, including damage to their property arising from the crane operations
- Loss or damage to the goods being lifted

If you do not have sufficient insurance cover in place, then Quinto Crane & Plant Ltd may, at our discretion, give you an interest (known as a Subrogation Waiver) in our own insurance policy for a fee.

Contract Lifting Services: Please see relevant sections in CPA Standard Terms and Conditions for Contract Lifting Services, dated July 2011. The following cover is included by Quinto Crane & Plant as a minimum:

1. Loss of or damage to our crane/vehicle(s)/equipment caused solely by the owner's negligence in the performance of the lifting contract.
2. Loss of or damage to other property caused solely by the owner's negligence in the performance of the lifting contract subject to:
 - 2.1. A maximum liability of £25,000 in respect to goods lifted.
 - 2.2. A maximum liability of £5,000,000 in respect of loss or damage to other property and injury to persons.

If you require Quinto Crane & Plant to increase our cover for your liabilities then this, if agreed by Quinto Crane & Plant Ltd, can be arranged at an additional cost to you.
